

Health & Safety Policy Statement

Nitec (UK) Ltd is committed to performing its business operations in a safe working environment for its employees, subcontractors & visitors.

Conforming to the Health & Safety at Work Act 1974, the Company will ensure that all processes operated on site are conducted in a safe and proper manner and that all risks and hazards associated with the processes have been properly assessed and either controlled or eliminated, as a result of that assessment.

Third part assessments performed by Watson & Watson shall be used to control the management of health and safety wherever practicable. Managers shall assist in this role as much as feasibly possible to ensure the safety of employees, visitors and sub-contractors during their time at NiTEC.

The Company will ensure that any controlled risks are at an acceptable level to comply with all current regulations & guidelines imposed by the appropriate authorities and inspectorates. All employees will adhere to safe practices and convey any concerns to the senior management.

As an initial commitment to communication, this policy is displayed in key areas of the site and is posted on the Company's website – www.nitec-enp.co.uk

Signed
